

Oaks Park High School

Title of Policy: **Collective Acts of Worship**

Person responsible: **J Hamill**

Date for review: **2018**

There will be a gathering once a week for each year group, from 12.55am to 1.20. In addition, there will be occasional House assemblies.

Some assemblies will be taken by pastoral and curriculum team leaders; others by a member of SMT and should seek to:

- celebrate cultural and spiritual diversity
- assist students in further developing their own sense of morality and spirituality
- provide opportunities to explore the viewpoints of others.

Assemblies will also be used to reinforce respect for school policies relevant to the year group.
